

## ABC MEMBER PRESENTATIONS AT HFSA 2019

### SEPTEMBER 13, 2019

**Session: Hands-On Workshop: Acute Management of Cardiogenic Shock**

**Friday, September 13 • 1:35 PM – 3:15 PM**

**Presentation: Case Presentations and Hands on Stations**

Presenter: **Khadijah Breathett, MD, MSCE**, University of Arizona

**Session: Hands-On Workshop: Structural Heart Interventions in HF**

**Friday, September 13 • 2:00 PM – 3:00 PM**

**Presentation: Case Presentations**

Presenter: **Selma Mohammed, MD, PhD**

**Session: Excellence in Translational Sciences (CVCT Joint Session) (Non-CME)**

**Friday, September 13 • 2:15 PM – 2:30 PM**

**Presentation: Panel Discussion**

Panelist: **Dennis McNamara, MD**, University of Pittsburgh

### SEPTEMBER 14, 2019

**Session: Plenary Session: Independence from Heart Failure: Awareness, Empathy and Activism**

**Saturday, September 14 • 10:43 AM – 10:46 AM**

**Presentation: Program Chairs Report**

Presenter: **Dennis McNamara, MD**, University of Pittsburgh

**Saturday, September 14 • 10:46 AM – 10:58 AM**

**Presentation: Awareness: is Everyone the Same? HF in African Americans**

Presenter: **Clyde Yancy, MD, MSc**, Northwestern University

**Session: Great Debates and Current Controversies Across the Atlantic**

**Saturday, September 14 • 2:00 PM – 2:10 PM**

**Presentation: Debate 1: LVEF Is Essential for Diagnosis and Treatment Decisions for Heart Failure – PRO**

Presenter: **Gregg Fonarow, MD**, University of Los Angeles

**Session: Ten Simple Tips: How to Prevent HF (AHA Joint Session)**

**Saturday, September 14 • 2:15 PM – 2:30 PM**

**Presentation: *Trifecta of Lifestyle Modifications: Diet, Exercise, and Cardiac Rehab***

Presenter: **Ileana Pina, MD, MPH**, Wayne State University

## **SEPTEMBER 15, 2019**

**Session: JNC New Investigator Award (Basic Science/Clinical)**

**Sunday, September 15 • 8:00 AM – 9:30 AM**

Reviewer: **Jeffrey Alexis, MD**, University of Rochester

**Sunday, September 15 • 8:00 AM – 9:30 AM**

**Presentation: *JNC New Investigator Award (Basic Science/clinical)***

Presenter: **Alanna Morris, MD**, Emory University

**Session: Ten Simple Tips: How to Best Implement Technologies to Assist in HF Care and Reduce Readmissions (ACC Joint Session)**

**Sunday, September 15 • 9:45 AM – 11:15 AM**

**Presentation: *Ten Simple Tips: How to Best Implement Technologies to Assist in HF Care and Reduce Readmissions (ACC Joint Session)***

Presenter: **Gurusher Panjrath, MD**, George Washington University

**Sunday, September 15 • 10:09 AM – 10:21 AM**

**Presentation: *Queuing Theory to Redesign Access to HF Care Post Hospitalization***

Presenter: **Clyde Yancy, MD, MSc**, Northwestern University

**Session: Fundamental Skills for AHFTC Training (Education Committee)**

**Sunday, September 15 • 10:15 AM – 10:30 AM**

**Presentation: *Beyond “cardiomyopathy:” Advanced Imaging (CMR, Echo) and CV Genetics***

Presenter: **Alanna Morris, MD**, Emory University

**Session: Translational Omics in HF– Finally Getting Clinical?**

**Sunday, September 15 • 1:54 PM – 2:06 PM**

**Presentation: *Current Metabolomic Strategies for HF Management***

Presenter: **Alanna Morris, MD**, Emory University

## SEPTEMBER 16, 2019

**Session: How to Manage Cardiovascular Complications during Pregnancy (ACOG Joint Session)**

**Monday, September 16 • 8:00 AM – 8:12 AM**

**Presentation: Peripartum Cardiomyopathy**

Presenter: **Dennis McNamara, MD**, University of Pittsburgh

**Session: How to Manage Cardiovascular Complications during Pregnancy (ACOG Joint Session)**

**Monday, September 16 • 8:36 AM – 8:48 AM**

**Presentation: Disparities in Cardiovascular Complications of Pregnancy**

Presenter: **Elizabeth Ofili, MD**, Morehouse School of Medicine

**Session: Special Session: HF Awareness in African Americans (with Shaquille O'Neal)**

**Monday, September 16 • 3:00 PM – 3:15 PM**

**Presentation: Introduction – Disparities in African Americans**

Presenter: **Elizabeth Ofili, MD**, Morehouse School of Medicine

**Session: The Psychosocial Assessment of the Advanced HF Patient**

**Monday, September 16 • 3:24 PM – 3:36 PM**

**Presentation: One Size Doesn't Fit All: Use of Risk Prediction Scores for the Psychosocial Evaluation**

Presenter: **Khadijah Breathett, MD, MSCE**, University of Arizona
